## **What to Bring:**

- 4-5 pairs of pants
- 4-5 tops or blouses
- 2-3 sets of pajamas or gowns
- Comfortable, non-slip footwear
- 4-5 pairs of socks
- 5 changes of undergarments
- Light jacket or winter coat (depending on season)
- Chargers for electronic items
- Hear aids (if applicable)
- Glasses (if applicable)
- CPAP/BiPAP (if applicable)
- Electric razor (if applicable)

Please make sure all clothing items can be machine washed and dried. Clothing should be marked on the tag or collar with permanent marker with resident's last name or initials.

**Personal items:** All toiletry and incontinence products are provided. For example: toothbrush, toothpaste, hairbrush, lotion, shampoo, conditioner, briefs, denture tablets, etc.

**Adaptive Equipment:** Wheelchairs, walkers, canes, and other adaptive equipment are available for use. Bringing personal adaptive equipment is not recommended.

**Medications/Supplements:** Please leave medications/supplements at home. We will provide medications/supplements from our pharmacy unless otherwise discussed. Please have medication list on hand if coming from home.

**Prohibited items:** If you are unsure if a specific item is permitted, please contact our Maintenance Director. These are just a few items that are not permitted:

- Any item that contains an open flame or expels heat (candles, warmers, personal heaters, etc.)
- Extension cords or power cords
- Personal air fresheners or aerosol sprays
- Humidifiers or diffusers

Most importantly, we want to make sure that you are comfortable while staying at our facility. Personal items such as pictures or mementos are welcomed and encouraged.
