## Winter Fun

Our activities team is always coming up with different types of events for our residents and staff to enjoy. During the winter months their creativity is especially appreciated!

January activities included celebrating National Rubber Ducky Day with a matching game, a hot cocoa bar for National Hot Cocoa Day and residents playing the “slots.”

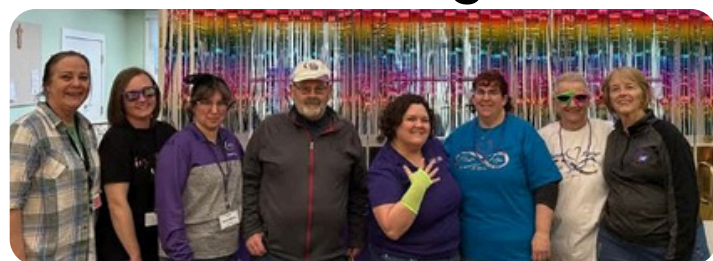

Congratulations to Lillian (left), Britney (not pictured) and Elizabeth (right) our employees of the month for November - January!! Thank you for your dedication!

## Hazel Findlay Fighters Start the Year Strong

Join our team! The 2025 Relay for Life event will be held May 30-31 at Uncle Johns Cider Mill. Get ready for a lot of 80's fun as the theme is "40 Years of Impact." We already hosted a First Lap event and a chili cook-off. Stay tuned for more fundraising events and ways to get involved.

Joyce from Clinton Commons won the people's choice in the chili cook-off!

## What are some of the amenities available?

Two available amenities that help to make living at Clinton Commons a stress-free lifestyle choice are the on-site restaurant and housekeeping services.

The food served at our on-site restaurant is homemade by experienced bakers and cooks. We offer a full menu including breakfast, soup, salad, sandwiches, dinner baskets, various sides, desserts and beverages. We also have a daily special from 3 to 5 p.m.

Housekeeping is available for \$44 for two hours of service. There isn't a contractual agreement and the resident chooses the frequency or can request a one-time cleaning.

Call Clinton Commons at 989-224-6808 for more information about our services.
